Don & I want to Thank You for the great job you and your crew did on our kitchen renovation.

Your ideas and guidance in planning the new kitchen were a great help. The scheduling of the work and workmen was on the mark. Everyone showed up at appointed time, did their job professionally, cleaned up and were very pleasant to have in our home.

We highly recommend you and your crew. We would also be glad to show off our lovely new kitchen to any prospective customers who would like to see an example of your work.

Thanks again

Barbara Woods
